

Clara FOR TALKS COORDINATOR

Who am I?

Hi, my name is Clara Winne!

- 1st year maths BSc student from Germany.
- I play **viola** in the University of Warwick Symphony orchestra.

$$A = \frac{1}{2}$$

Goals for this role:

- Making talks **more accessible** – Actively promoting them.
- **Diversify the speakers** – Collaborating with other societies to explore how maths connects to different fields.
- **Gathering feedback** from students to encourage more involvement.
- Continuing the **success of WIMP** – After experiencing our visit to Imperial this year, I want to help make WIMP successful again next year!

Why vote for me?

- **Organised** – A high value for every German, including me. ;)
- Strong **communication skills** – Built through my teamwork experience from playing basketball for over 10 years.
- I am passionate about maths & talks, so I want to make them as **inspiring and insightful** as possible!

Clara-fying WMS Talks, to Make Every Event Inspiring!

$$x = \frac{-b \pm \sqrt{b^2 - 4ac}}{2a}$$

Here is a page from everyone's favourite maths book ;)
