For Sports Officer

Why Me?

1. I love sports! and I hope to encourage more of you to join sports leagues even if you have never played before.
2. I am actively involved in maths society badminton (we won last term!) and netball so am familiar with how the leagues work
3. I was swim captain at school so have experience leading a team, boosting morale and most importantly, making sure we have fun!
4. I am efficient and have good time management skills so will ensure all sports leagues are signed up promptly

I will

1. Use Instagram to share match details and results, increasing engagement and enthusiasm to encourage you guys to take part
2. Be a friendly face so team members can come to me with any questions or concerns
3. Introduce chill activities such as fun runs/walks to promote inclusivity and members can get to know each other more
4. Potentially work with the treasurer to have our society sports kit
