

WARWICK MATHS SOCIETY ELECTION 2025

WILLIAM CANNON

MANIFESTO, ACADEMIC EVENTS OFFICER

VISION

Mathematics is more than lectures and exams.

WMS should be a place to engage in new ideas, challenge yourself, and develop a greater appreciation of mathematics

As ACADEMIC EVENTS OFFICER,

I will ensure the society offers

- engaging, high-quality talks,
- competitions,
- problem-solving sessions.

HOW I WILL Deliver

- organise revision lectures, avoiding timetable clashes
- $\forall y \in Y, \forall (R_i, t_i) \in S_y^{revision}, \forall (T_j, t_j) \in S_y^{timetabled}, t_i \neq t_j$
- partner with other departments to deliver interdisciplinary events
- work with faculty to host revision & coursework support sessions.
- organise problem-solving sessions, puzzles, competitions to bring the excitement to your life

WHY ME?

- passionate about outreach
- experience tutoring and mentoring, making topics accessible and engaging
- commitment to innovation
- I will ensure every WMS member finds something valuable.
