

# Wong Yit Jet

## Running for Publications Officer

### My Commitments

- As a 1<sup>st</sup> year student, I can provide relevant insight in producing the Freshers' Guide.
- Spend the summer acquiring the relevant skills in order to contribute to and maintain the website.
- Commit time weekly to ensure the website is up-to-date, with respect to announcements and society events.

### About me

- **Interest in the Maths Society**

I regularly attend Maths society events, and am eager to be a play a more active role in the society.

- **Interest in Programming**

- I took functional programming (CS141) as an unusual option. This interest makes me well-suited for this role.

- **Relevant Experience**

I received a 94% for my first functional programming coursework. I believe that I can similarly promptly acquire the necessary skills for the role.
